CLEAN • COAT • PROTECT

CLEANF2™

Very concentrated, yet economical floor and multi-purpose cleaner

- Excellent cleaning
- Economical and long lasting
- Multiple uses (see chart below)
- Nonirritating

SkidRid™

High-powered, nonirritating multi-purpose degreaser and floor cleaner

- Good for shiny floors
- Use where aluminum or magnesium chips are found
- Great detergency
- Phosphate free, nonirritant

Skramex™

Super-concentrated, very high-powered cleaner for heavy-duty floor cleaning

- Phosphate free
- Will not attack concrete surfaces
- Use where oils and/or heavy soils build up

Task2

Grime Fighter (PMC 1247)

- Tough on grime, yet gentle on the environment
- Certified biodegradable
- Out-cleans ALL "green," "crystal," "purple," "mean," and "simple" butyl-based products
- Approved by major aerospace manufacturers

Task2

All Purpose Cleaner (PMC 1455-11)

- Cleans shop soils from all common surfaces better than the "leading national product"
- Non-butyl, water-based cleaner
- Will not split coolants when in contact with them

Task2

Glass Cleaner (PMC 1406-41)

- Cuts through shop soils to clean glass, ceramics, metals, and more
- Residue-free formula
- Mild pH, user friendly

Whamex™ WhamexXT™

Ultimate cleaners for machine tools and coolant central systems

- Use Whamex XT for synthetics and semisynthetics to avoid foaming
- Breaks down scum deposits from deep in machines
- Cleans while machining parts
- Phosphate free

Application

- Add Whamex or Whamex XT to the coolant in your system and circulate before cleanout
- Apply by spray or power washing

Amaize 'N Orange™

CLEAN AMO™ water-soluble, heavy-duty degreaser made with natural solvents from corn and oranges

- World's best tire-mark remover
- Removes greasy, resinous, waxy soils without heating
- Nonflammable
- Neutral pH
