Join the

Master Fluid Solutions' Workshops for Warriors® Challenge

It's our chance to make a tangible difference in the lives of veterans and transitioning service members

It's Team Hero vs. Team Patriot

Master Fluid Solutions will match up to \$10,000 in donations, so step up to Master Fluid Solutions' Workshop for Warriors Challenge to raise \$20,000.

You are on Team Hero

Led by Field Commander Mike Weston

Make it a hard-fought battle for good between the two! The team raising the most money will see the disgraced Field Commander of the opposing team have his head shaved in a video-taped ceremony.

Be a true Hero or Patriot by making a difference to these real heroes and patriots. Donate today to this noble cause.

About Workshops for Warriors®

Workshops for Warriors provides veterans and transitioning services members with advanced manufacturing training and certification for careers in machining, welding, and fabrication.

In just four months, Workshops for Warriors students receive nationally-recognized credentials that enables them to join the advanced manufacturing workforce immediately upon graduation.

Donations are 100% tax-deductible and 87% of every donation dollar goes directly to Program costs.

Donating is easy

Just go to www.wfw.org/donate and select **TEAM HERO** from the "campaign" drop down menu before submitting your donation.

The winning team will be announced on:
December 21, 2018.
