

TRIM[®] TC 177

Odor Mask

GENERAL DESCRIPTION

TRIM[®] TC 177 is a “vanilla” odor mask. This product may be used to reduce some of the odors associated with coolant systems.

APPLICATION GUIDELINES

- Very small amounts may be added directly to the working solution to reduce odor. Typical application rates are less than 6 ounces per 10,000 gallons.

HEALTH & SAFETY

See the most recent SDS at 2trim.us/s/?i=1099-en-US-US.

TECHNICAL ASSISTANCE

- For technical assistance in the United States and Canada, please call our Tech Line at 800-537-3365. For all other international customers, please call 419-874-7902.
- Packaging: North America – 2-quart AccuDose[™], 5-gallon pail, and 54-gallon drum.
- Europe/Asia: 20-litre pail and 204-litre drum.
